

Resignation email

Subject: Resignation-Parth Namjoshi.

Dear Jay Patel,

I am writing to inform you of my decision to resign from my position as Front-End Developer at **eClinicalWorks**, **effective 17-10-2024**, providing one month's notice in accordance with company policy.

I have accepted an opportunity elsewhere that aligns better with my long-term career goals. I want to express my sincere gratitude for the opportunities for growth and development that eClinicalWorks has provided me during my time here. I've learned valuable skills and had the privilege of working with talented colleagues.

I appreciate your understanding and support during this transition period. I am committed to ensuring smooth handover of my responsibilities and am willing to assist in any way I can during my remaining time at the company.

Furthermore, I would like to extend my gratitude for granting my request for an early release, allowing me to transition more seamlessly into my next role.

Thank you once again for the support and opportunities. I wish the company continued success in the future.

Best Regards,
Parth Namjoshi
Front-End Developer.
